DON'T NEGLECT

A COMMON CASE OF PILES.

It May Lead to Serious Results.

When people generally understand that all such fatal diseases as fistula, ulcer of the rectum, fissure, etc., almost invariably begin in a simple case of piles, they will learn the wisdom of taking prompt treatment for the first appearance of trouble in this quarter. The Pyramid Pile Cure will certainly cure every form of piles, itching, bleeding, protruding or blind piles, and hundreds of lives have been saved by using this clear but effective remedy right at the start, because at such a time a single package will affect a cure, while in the chronic, deep seated cases, several packages are necessary before a lasting cure is effected.

Physicians are using the Pyramid Pile Cure in preference to surgical operations and with uniform success. The remedy is prepared by the Pyramid Drug Co., of Marshall, Mich., and for sale by druggists everywhere.

This firm receives hundreds of testimonial letters from cured patients and publishes a fresh list every week. This week we take pleasure in presenting the following: From Mr. M. A. Wilson, neebody, Kansas: Your Pyramid Pile Cure received and I have received more benefit from two applications than from all other medicines I have ever tried. I have been troubled with piles for 30 years. They would come down every day and have to be worked back, but have not been down since the first application of the Pyramid. I am a convert to the merits of the Pile Cure.

From C. D. Edgerton, atty. at law, Northfield, Vermont: Send me two packages of your Pyramid Pile Cure. My father, who has had piles for 40 years, says your remedy is the best he has found and he has tried everything. From W. H. Goodman, Greenville, Tex. Gentlemen: I have had wonderful relief from the Pyramid Pile Cure. I would not be without it. From Ira Shockley, Long, W. Va. The Pyramid Pile Cure has cured me. I have been waiting to see the result before writing and I can honestly say I am well of the piles and feel under many obligations to you.

Fresh letters will appear from all parts of the United States, all testifying to the wonderful effects which invariably result where this splendid remedy is used. It is the cheapest, safest and most effective pile remedy ever placed before the people and if you are subject to piles in any form, this remedy will remove them.

It is on sale at all drug stores at 50 cents. Each package also contains a treatise on the cause and cure of piles, which will interest and benefit anyone so afflicted.

STRANGER INJURED.

HE STEPS FROM A BRIDGE AND FALLS HEAVILY.

Avoided Certain Death But Falls Fifteen Feet and is Brought to the Infirmary For Treatment.

Frederick Fredericks, a man aged 43 years, fell from the overhead bridge of the P. Ft. W. & C. railroad at Tremont street, in Massillon last night at 11 o'clock, receiving serious injuries. Fredericks, while crossing the bridge, was overtaken by a train. He stepped, as he thought, to a place of safety, off the main track. He fell fifteen feet to the pavement below, breaking his left thigh and cutting a terrible gash in his head. He was picked up and Dr. Hardy and Culbertson called, who gave him necessary attention. This morning he was brought to Canton in the C. M. E. baggage car and was taken from the square to the infirmary in the ambulance. Fredericks is a native of Switzerland, a stranger in Massillon, without relatives or friends. His injuries may not prove fatal.

EPIDEMIC CATARRH.

A Scurge Generally Called La Grippe

There is practically no limit to the bad feelings which result from an attack of la grippe. Anyone who has ever experienced the nervousness, the debility, the listlessness that follow this catarrhal affection will not need to be told that a remedy which will remove the sequella of la grippe is a blessing to everyone. Mr. Shem Petty, Searcy, Ark., has found this out by practical experience. He writes as follows: "After a good physician failed to cure me, I received permanent cure by the use of Pe-ru-na from the multiplicity of ills which invariably arise after a severe attack of la grippe, such as nervousness, sleeplessness, short breath, palpitation of the heart, etc. My business at the time compelled me to go up and down stairs and at each succeeding trip death seemingly awaited me from heart failure. That wonderful remedy, Pe-ru-na, cured me."

Such letters as the above are received daily by the Pe-ru-na Drug Manufacturing Company, Columbus, Ohio. They will send free to anyone a book containing several hundred similar testimonials.

ONE OF OUR REPRESENTATIVES WRITES HOME TO HIS WIFE.

Columbus, O., February 12, 1895.

Dear Mary: Six weeks have I lived in the city—

An' surely I'm likin' the job very much— That you isn't with me, ah sure! is the pity— I'm lonesome, ye know, without likens of such.

The makin' of laws is a nate occupation, An' more to my mind than the hoelin' of corn.

It doesn't require any great education, Its more in the sign of the moon when your born.

Me labor no longer is cleaning the stable— The palling the cow—the toffing of awill— The twisting the wringer—the rocking the cradle—

There's more, I find out, in a vote for a bill, I board at the Neil—have parsnips, persters, Fried chicken, and pies, and sauer kraut, and wine,

All brought to me room by the darlinest waiters, Dressed finer than you are—whenever I

Me mind has been altered about corporations, An' trusts, an' combines you hear of so much.

I vote every time again legislation, Abridgin' the rights they're havin' as such; I needn't tell why—don't ask me to tell you— Ye know that we borrowed a thousand last fall.

It's a shame and it's paid—ask Bascom to sell you Their eighty 'side ours—I can pay for it all. Every railroad, I think, in the state that is runnin'

Has given me passes jes' suitin' me mind; Do you think I'm the fool that will now be a gunnin'?

For fellows who use me so awfully kind? I ride where I please without nary a penny

An' dine an' drink wine as oft as I please— Why the satin lined seal skin sent to our Jennie.

Was a gift from the brewers of Bribery & Squeeze.

I'm on the committee of state institutions On asylums, an' schools for the deaf an' the blind

An' also have charge of the free distributions Of all of the perquisites used by our kind. From each county, almost, is a big delegation To hunt for a job for a fellow in tow

An' you see there's a chance for a big speculation, In findin' a place for the feller to go. Enclosed is four drafts—made out to your order

One thousand you see—from the Mark Hanna combine

The others is all from Brice an' Van Gorder Who furnished the pen with the coal from their mine.

See Waller an' tell him as soon as his sledding To slip in some logs an' saw at his mill; We'll build a fine mansion in Old Armageddon

An' frontin' both ways on the top of the hill; Goodby! it is dark an' a feller's awaitin' With horses an' cab outside of the door

For me an' a girl I'm going to learn skating, So Mary, goodnight, I am true to the core.
